This report may not be reproduced without the written permission of Drexel Burnham Lambert.

Opinions and views expressed herein are solely those of the Author(s). As such, they may differ in material respects from those of, or expressed or published by or on behalf of, Drexel Burnham Lambert Incorporated ("DBL") or its officers, directors or other employees. Because of the volatile nature of commodity markets, such opinions and views are subject to change without notice. DBL and/or its officers and directors may hold similar or opposite positions in the commodities discussed herein.

This report is based upon data believed to be reliable, but since it has not been independently verified such data is not guaranteed as to accuracy or completeness. This report is provided for information purposes only and should not be construed as an offer to sell or a solicitation of an offer to buy the commodities discussed herein.
